75TH 1927-2002 ANNIVERSARY

MISSISSIPPI DELTA
COMMUNITY COLLEGE

The 2001 - 2002 school year will be a special year in the history of Mississippi Delta Community College (MDCC) as the college celebrates its 75th anniversary. I have the distinct pleasure of serving as the college's seventh President and have the opportunity of working with Board of Trustees, administration, faculty, staff, and students to serve the educational needs of the citizens of the Mississippi Delta.

MDCC is one of the oldest of the fifteen community colleges in the Mississippi system. The beginning of the college can be traced back to 1926 when Sunflower Junior College was founded in connection with Sunflower Agricultural High School. The first freshman class enrolled in September 1926. The college was fully accredited as a two-year institution in April 1928 by the Accrediting Commission of the Senior Colleges of Mississippi. It was admitted to full membership in the Southern Association of Colleges and Schools in December 1930 and has held accreditation continuously since that time. To better reflect its mission, the name of the college was officially changed from Sunflower Junior College to Mississippi Delta Junior College in 1961 and then to Mississippi Delta Community College in 1989.

MDCC is one of the most comprehensive community colleges in the State of Mississippi with a mission that is uniquely oriented to the challenges and opportunities of the Mississippi Delta region. The college offers outstanding programs in academic transfer, allied health, vocational, technical, workforce development, law enforcement training. The college also offers an excellent program of extracurricular activities including athletics, intramural sports, and student organizations. The administration, faculty, and staff are committed to the education and success of students who want to be a part of such a dynamic learning environment.

The majority of the students attending MDCC come from the college's seven county service district made up of Bolivar, Humphreys, Issaquena, Leflore, Sharkey, Sunflower, and Washington counties. The college offers instruction at locations throughout the District so students have a unique opportunity to combine college and real-world education by allowing them to attend college while maintaining their employment.

From its beginning in 1926, the college has received recognition for excellence of its graduates among institutions of higher learning across the United States. The college's alumni can be found in positions of leadership throughout the state, the nation and the world.

My wife, Gail, and I would like to thank you for your continued support of MDCC.

Larry G. Bailey, Ph.D.

Student Life

Students at MDCC have many opportunities to get involved with various activities. Students often make time during their day to hang out with new friends. After a hard day in class, friends meet to have dinner or relax in the dorms. Many are also involved in work study or practices. Student life is an important part of everyone's college experience.

Movin' In

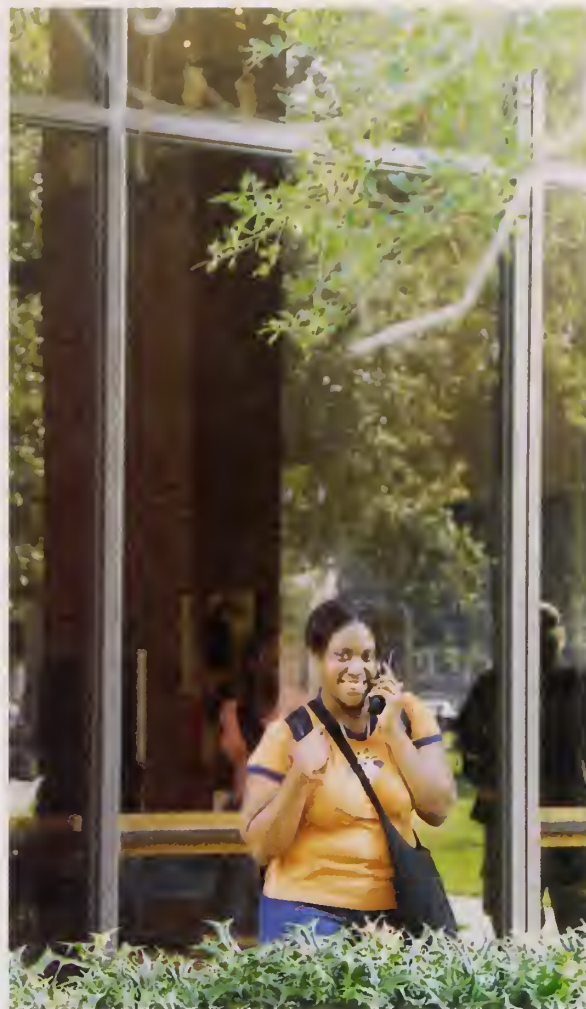

Moving in the dorms is always exciting. Many new faces, as well as old, enthusiastically prepare their rooms for the coming school year. Family and friends get involved, and are ready to assist where needed. The cheerleaders are also helpful in offering cool drinks during the exhausting day.

Taking A Break

Everyone needs to find time for a break during his or her stressful day. Whether it is talking on the phone or grabbing a snack, a little relaxation is necessary to get us through the day. For some students, it is only for a short time between classes. The Student Union, the library, and the benches outside, provide the perfect place to stop and catch your breath. If you have a lot of time, find a friend and go for a ride.

Homecoming Day

Homecoming Day was an exciting, yet messy day for the Trojans. The Ambassadors and Delta Dancers performed inside the coliseum prior to the game. The Homecoming court was also presented indoors, where Javeyeta was crowned queen. The cheerleaders and the fans were decked out in their rain gear as they supported the team. Despite the fact that the football players had to play in the rain and mud, they still pulled through with a 13-0 win.

Lots of laughs at the roast!

MDCC celebrated its 75th year with special events to coincide with Homecoming 2001. A reception was held in the Career and Workforce Building to honor our new President, Dr. Larry G. Bailey. Dr. Bailey is the 7th President of the college. Faculty, staff, and friends of MDCC from around the Delta came to extend their best wishes to Dr. and Mrs. Bailey.

Coach Jimmy Bellipanni was honored with a roast on the eve of Homecoming. During Coach Jimmy's 50 years as coach, teacher, and athletic director at MDCC, he has touched many lives as evidenced by the large crowd of friends and former students who came especially for this event. Tickets sold out quickly for this special evening of fun.

Alumni of MDCC presented a special resolution honoring Grand Old Opry star Johnny Russell for his many years of contribution to MDCC through his scholarship concerts. John Russell, son of the late Johnny Russell, and his wife accepted the resolution on behalf of the Russell family.

Sports

State Champions 1926

For seventy-five years MDCC Trojan sports have been synonymous with great athletics. Good coaches and talented athletes are the winning combination. Many players from the Mississippi Delta and some from other states choose MDCC as their home team. Whether soccer, basketball, football, or baseball, the tradition of sports' excellence continues.

*A*ctivities

Activities at MDCC have changed from generation to generation. Years ago students did not have the opportunity to participate in the activities that we do. MDCC carries a wide variety of activities. Activities include football, basketball, dancing, singing, band, and many others. The best part is that everyone does not have to play; they too can enjoy by just sitting back to watch.

SGA

The Student Government Association is involved in all activities on campus and try to improve general student welfare. The group meets twice a month. They plan social programs, act as a liaison between the students and the administration, and promote college-community relations.

Members of the group include Front (l. to r.) Monyka Allen, Angela Applewhite, Richard Becham, Angela Stansberry, and Hal Johnson. Middle (l. to r.) Charfarrah Jones, Rose Johnson, Erica Leach, and Tari Turner. Back (l. to r.) Dean Rice — sponsor of the SGA, and Estesta Causey.

They also perform at basketball games, soccer games, and for clubs and organizations in our supporting counties. The Dancers present a big production each semester, and during second semester the group travels each Thursday to a school in the area to present assembly programs. In March they host the annual Jazz Dance Classic. The Delta Dancers have performed at Disney World five years and on a cruise ship out of Miami. The group is under the direction of Mrs. Betty Aden.

*A*cademics

Academics plays a very important role at MDCC. Some students are here to take basic courses before transferring to a university. Others are here for special courses including nursing, dental hygiene, radiology, and laboratory technology. The Vocational Technical program offers a wide variety of courses including mechanics, agriculture, and construction. Every student is able to find a course that interests him; and with small classes and dedicated instructors, every student soon realizes that MDCC offers him the keys to a successful future.

The Humanities Class traveled to London as part of their class study. They are pictured by the River Thames with Parliament and Big Ben in the background. L. to R. Mrs. Brindley, David Turner, Beth Crisco, Brad Coleman, Teri Moak, Jessica James, Laura Baria, and Elizabeth Long.

Law Enforcement Training Academy

Mr. Jim McFadden is the director of the Law Enforcement Training Academy. Three ten week classes are offered. Participants come from counties and municipalities all over Mississippi, although priority is given to those from the Delta. Training involves inside and outside skill components. The cadets participate in demanding outdoor military style training with drills, marches, marksmanship, gun safety, obstacle course runs, and plenty of fundamental physical training. Classroom time is dedicated to learning self-defense, functional Spanish, basic criminal law, and CPR. Those cadets who endure the physical and mental challenges of the Training Academy graduate in a ceremony in the J. T. Hall Coliseum. After graduation, the officers return to their communities where they work to protect and to serve the citizens.

Dental Hygiene

The newest program on the MDCC campus is the Dental Hygiene Program located in the east wing of the Allen Foley Allied Health Building. This program received accreditation from the Commission on Dental Education of the American Dental Association in early August 2001. There are fifteen students enrolled, all of whom are from this area of Mississippi. Four faculty members provide instruction for these students. They are Dr. A. H. Richter, Program Director; Mrs. Melissa Warrington, Registered Dental Hygienist; Mrs. Kathy Stockett, Registered Dental Hygienist, and Dr. Hugh C. Smith, Jr. Applications are accepted each year until May 30th for the classes which begin in August.

Dental Hygiene Officers include (l. to r.) Shandra Jennings, Secretary; Paige Russell, Treasurer; Ann Hayes, Vice President; and Leslie Shive, President.

Humanities Celebration

The three day Humanities Celebration was presented in October in conjunction with our 75th Anniversary celebration and Homecoming 2001. For the second consecutive year, the humanities week was a big success and well-received by students, faculty, and the general public. Mrs. Ellen Steeby served as project chairman and expenses for the event were partially funded by the Mississippi Humanities Council. The department of Fine Arts, Languages and Literature, and History each sponsored one day of the event with guests from their respective areas of study. The variety of programs offered many learning experiences for all participants.

Mrs. Barr visits with Ruth C. Williams and Jeff Durstewitz, co-authors of *Younger Than That Now: A Shared Passage From the Sixties*. Their dual memoir of an unusual North-South friendship won the 2001 Nonfiction Prize from the Mississippi Institute of Arts and Letters.

Joel Hughes introduces Rick Cleveland, sports writer with *The Clarion Ledger*.

Senator John Horhn presents a montage of dramatic readings.

Audrey Sidney, Chairman of the Mississippi Humanities Council, awards Mrs. Ellen Steeby the MHC Humanities/Teacher Scholar of the year for MDCC.

Artist Bill Dunlap presents a gallery talk about the works of MDCC's own Lawrence Kenneth.

Dr. Doug Adams moderated a panel discussion in which WWII and Vietnam veterans spoke about their experiences in the military.

Bill Russell accepts two books given by Mr. and Mrs. Charles Logan in memory of his two brothers who served in WWII. These books will be placed on display in the library for all to enjoy.

To celebrate our anniversary and remember the past, many displays and exhibits adorned the library entrance. One special exhibit was the Thigpin collection which Mrs. Nobile assembled.

HEADWAE WINNER 2001

Thomas Tanksley

HEADWAE is a program sponsored by the Mississippi Legislature to recognize academic excellence among faculty and students at colleges and universities across Mississippi. A faculty member and a student are selected each year at each public and private college and university in the state. These individuals are recognized by the Mississippi legislature and honored at a luncheon in Jackson in February.

Richard Beckham

PHI THETA KAPPA ALL-STATE HONOREES 2001

Richard Beckham

The All-State Academic Team program is designed to provide recognition to two-year college scholars and their institutions. The Zeta chapter of Phi Theta Kappa at MDCC has two state team members, Richard Beckham and Roland Robertson. These students have been recognized for their outstanding academics and their contributions to Mississippi Delta.

Roland Robertson

*P*eople

Most students at MDCC call the Mississippi Delta home. They come from the surrounding counties to begin their college careers and in the process make many new friends. The number of students has increased over the years, but some things never change. MDCC students have a smile on their faces and enjoy having fun.

Back stage the girls anxiously await the opening curtain. Contestants take that last minute glance in the mirror and try to relieve the pre-contest jitters. Dr. Adams is always on hand to joke with contestants and keep everyone calm. Finally, the contestants take their places on stage and the curtain opens. From that moment on, everyone looks poised and professional.

To our Retrospect readers:

We hope you enjoy our 75th edition. We hope you appreciate the pictures from the past and present. In the future, we anticipate that other Retrospect members will enjoy making the annual as much as we did. There are many people we would like to thank. First, we would like to thank Joe Wilson and Lawrence Kenneth for helping with pictures and second, Doug Adams for helping us with the Beauty Revue. We would also like to thank Mrs. Brindley for her hard work and dedication. Without her help this annual would have not have been possible. We hope you have a great year!
